Your Camtasia Studio Key

[Subscribe to the Camtasia Studio Newsletter](#) [Upcoming Shows](#) [TechSmith in the News](#)

Thank you for choosing Camtasia Studio, the complete professional solution for recording, editing and sharing high-quality screen videos.

1. Install the cover mount disc that includes Camtasia Studio 3.1.3.
2. Select Camtasia Studio from the list of programs.
3. A *Camtasia Studio Evaluation* window will open. Select **I have a Software Key**.
4. Type in your name and software key:
XCFFK-ZZ4KW-SNV4Y-CPHHF-NF769

New! Camtasia Studio 5

Want the latest version? After installing Camtasia Studio 3.1.3, you will be eligible to upgrade to the current version, Camtasia Studio 5.0, with special customer upgrade pricing discounts.

Newly redesigned, Camtasia Studio 5 offers you the ease-of-use and flexibility you've been looking for:

- ? Publish videos and MP3 files for portable media players - even iPod!
- ? Share with anyone, anywhere - including via Flash.
- ? Record anything on your screen, including narrated PowerPoints and webcam video.
- ? Edit with sophisticated studio features, including multiple audio tracks, noise reduction and volume equalization.
- ? Use AutoZoom to display sections in great detail.
- ? Create interactive videos, complete with surveys, quizzes, and hotspots.
